

CA22161 – Future of plant-based food: Bridging the gap of new proteins and FLAVOURsome

Acknowledgment for Short-Term Scientific Missions (STSMs)

As a beneficiary of a Short-Term Scientific Mission (STSM) grant under the FLAVOURsome COST Action, please take into account that any scientific production resulting from your stay —such as publications, oral or poster presentations at conferences, technical reports, etc.— must include an acknowledgment to the FLAVOURsome COST Action.

Please ensure to include **one of the following acknowledgment phrases** in the corresponding communication:

- *"This article is partially based upon work from COST Action FLAVOURsome, CA22161, supported by COST (European Cooperation in Science and Technology)"*
- *"This work is part of the activities of the COST Action FLAVOURsome, CA22161, supported by COST (European Cooperation in Science and Technology)."*

Additionally, please ensure that you include the following FLAVOURsome COST Action logos in your presentations and publications.

Funded by
the European Union

If you have any doubts, please contact the Grant Coordinator (Ignacio García-Estévez, igarest@usal.es) or the STSM Coordinator (Violeta Ivanova, violeta.ivanova@ugd.edu.mk)
